Dear Mr. Brown,

On a few recent occasions, ARC noted in conversations that they expect to submit additional workplans pursuant to Administrative Order for Remedial Investigation and Feasibility Study, Leviathan Mine, Alpine County, California (CERCLA Docket No. 2008-18, June 23, 2008).

Could you please identify and include any remaining/ recommended work/deliverables as a line item in the attached chart and send us an updated list at your earliest convenience?

Best Regards,

Lynda Deschambault
